Table 2) the average, standard deviation, and coefficient of changes of social dimensions of life quality of Iranian couples and Iranian-Afghan couples

Index	Iranian couples			Iranian-Afghan couples		
	Changes coefficient	Standard deviation	Average	Changes coefficient	Standard deviation	Average
Access to new and high quality schools	0.20	0.47	2.32	0.38	1.03	2.71
Easy and quick access to the schools for the kids and teenagers	0.31	0.74	2.35	0.49	0.81	1.64
Good and experienced teachers	0.40	1.29	3.22	0.34	0.99	2.85
Access to the well-facilitated laboratories in schools	0.31	0.86	2.71	0.42	0.92	2.14
Weekly use of proteins	0.32	0.89	2.78	0.53	1.13	2.14
Weekly use of fruit and vegetables	0.36	0.97	2.68	0.32	0.88	2.71
Access to health and sanitation services	0.39	0.98	2.50	0.30	0.88	2.92
Access to Police station in case of emergency	0.22	0.69	3.12	0.36	1.08	3
Unity, homogeneity, and no conflict among the residents	0.19	0.67	3.48	0.75	1.23	1.64
Sports facilities in the village	0.27	0.64	2.35	0.49	0.81	1.64
Art and culture centers in the village	0.28	0.64	2.25	0.49	0.81	1.64
The possibility of travelling with family once a year	0.32	0.89	2.78	0.52	1.13	2.14
Social indices average	0.16	0.43	2.71	0.38	0.99	2.26

Table 3) the average, standard deviation, and coefficient of changes of economic dimensions of life quality of Iranian couples and Iranian-Afghan couples

Index	Iranian couples			Iranian-Afghan couples		
	Changes coefficient	Standard deviation	Average	Changes coefficient	Standard deviation	Average
Satisfaction with the salary	0.21	0.83	3.83	0.59	1.23	3.07
Careers' life expectancy	0.20	0.80	4	0.59	1.23	2.07
Job satisfaction	0.22	0.71	3.28	0.57	1.14	2
Physical health for doing the activities	0.31	0.74	2.35	0.35	1.10	3.07
Owning proper savings	0.19	0.81	4.16	0.57	0.91	1.57
Economic indices average	0.17	0.65	3.52	0.57	1.10	2.15

Table 4) multi-variable regression analysis results for the prediction of life quality through social and economic dimension

Predictive variables	B	SE	Beta	T	P
Constant	-1.471	0.326	-	-4.508	0.000
Social	0.383	0.52	0.353	7.404	0.000
Economic	-0.032	0.55	-0.053	-0.588	0.557
