

Table 1) Results of the External Evaluation of Operative Dentistry and Dental Department of Dentistry School of Babol University of Medical Sciences

Factors and Components	Values	Status
Faculty Members (In the View of the Students)		
Quality of Teaching	2.95	Relatively Desirable
Personal Trait	3.41	Desirable
Evaluation Skills	2.92	Relatively Desirable
Interpersonal Communication	3.21	Relatively Desirable
In Total	3.12	Relatively Desirable
Department Manager (From the Point of View of the Faculty Members)		
Personality Trait	3.83	Desirable
Management Skills	3.72	Desirable
Educational Skills	3.77	Desirable
In total	3.77	Desirable
Department Manager (In the View of Staff)		
Personality Trait	5	Desirable
Management Skills	5	Desirable
Educational Skills	5	Desirable
In total	5	Desirable
Goals and Missions (From the View of the Faculty Members)		
Goals and Missions	3.49	Desirable
Space, Equipment and Information Technology Equipment	3.65	Desirable
Education and Research	3.74	Desirable
Organizational	3.68	Desirable
Evaluation	3.66	Desirable
In total	3.66	Desirable
Equipment and Facilities		
Clinical Equipment	-	Desirable
Technology and Electronic Services	-	Desirable
Library	-	Relatively Desirable
Physical Space and	-	Relatively Desirable
In Total	-	Relatively Desirable
